

Regina C. Drummond, OTD, OTR

EMPLOYMENT

SPACE Therapy & Gym (formerly Kids Connect Occupational Therapy), *Houston, TX*

Clinical Director

July 2023 – Present

- Maintain an approximate 15-hour caseload of pediatric clients, specifically those benefiting from use of the DIRFloortime® model or therapeutic feeding intervention
- Participate in strategic planning and priority setting for the clinical department
- Engage in 1:1 mentorship of occupational, physical, and speech therapists
- Lead internal staff development activities and trainings
- Complete interviews in the hiring process and annual appraisals for current staff
- Engage in outreach and marketing to pediatricians, schools, and other community organizations

Therapy Coordinator

April 2021 – July 2023

- Maintained an approximate 24-hour caseload of pediatric clients, specifically those benefiting from use of the DIRFloortime® model or therapeutic feeding intervention
- Acted as primary point of contact for occupational, physical, and speech therapy staff
- Coordinated volunteer, observation, and student experiences for medical residents, OT students, and undergraduate students interested in a career in occupational, physical, or speech therapy
- Led both intra- and interdisciplinary focused weekly clinical meetings
- Assessed ongoing department needs, and performed strategic planning and priority setting for the department, specifically for DIRFloortime® intensive programs and feeding intervention

Occupational Therapy Coordinator

July 2019 – April 2021

- Provided comprehensive evaluation, treatment, and discharge planning for children ages birth to 21 years of age using sensory integration and DIRFloortime® frames of reference
- Assessed ongoing department needs, and performed priority setting for the department during clinic expansion and physical move to new therapeutic facility
- Led transition to telehealth service provision model during COVID-19 global pandemic
- Acted as primary fieldwork educator for OT and OTA students throughout the calendar year
- Coordinated volunteer and observation opportunities for current and future healthcare providers

Occupational Therapist

July 2018 – July 2019

- Provided comprehensive evaluation, treatment, and discharge planning for children ages birth to 21 years of age using sensory integration and DIRFloortime® frames of reference
- Collaborated with caregivers, families, teachers, referring medical professionals, and other staff members regarding each child's treatment plan
- Supervised Certified Occupational Therapist Assistant (COTA) as needed and according to the rules and regulations of the Texas Board of Occupational Therapy Examiners
- Utilized a range of office software, including EHR system, email, spreadsheets, and databases, for consistent and efficient workflow

University of St. Augustine for Health Sciences, *Austin, TX*

Contributing Faculty

January 2021 – December 2022

- Co-instructed online-based courses Administration and Management and Occupational Engagement for MOT and OTD students
- Provided feedback to students regarding the term's signature assignment and additional graded items
- Updated course content as needed to align with clinical updates and policy changes
- Supplemented course content with real-world experiences during live online lectures
